24" Built-In Drawer Microwave

The Frigidaire Professional 24" Drawer Door Microwave delivers built-in look designed to complement your kitchen. The IllumiTouch™ Control Panel illuminates only when in use and fades away when finished, preserving a sleek, seamless surface. Enjoy powerful 1000-watt performance with Sensor Cook and Reheat options that automatically adjust for consistently great results. Install with confidence knowing it's backed by the Frigidaire Fit Promise.

Available Colors: Stainless Steel

Version: 06/26

Consumer Benefits

IllumiTouch™ Control Panel

Controls illuminate only when in use and fade away when finished, preserving a sleek and seamless design.

Versatile Installation Options

Fits in a kitchen island, peninsula, or standard cabinet - and at multiple heights - to adapt to your layout and cooking needs.

Smooth-Glide Drawer

At the touch of a button, the drawer opens and closes smoothly and quietly.

Built-In Drawer Design

Standard Mount Ready and designed to install within cabinetry for a cohesive, built-in look that elevates your kitchen and clears counter space.

Clear view. Easy clean.

A fixed-position control design provides clear visibility and comfortable operation while maintaining a smooth surface that wipes clean easily.

Frigidaire Fit Promise

We promise that your new 24" or 30" Frigidaire drawer microwave will fit your existing drawer microwave cutout of the same width and configuration, or we'll reimburse you up to \$300 for professionally modifying the countertop.

Up to three hundred dollars via mail-in rebate. See <https://www.frigidairefitpromise.com> for additional information.
