- Steam PreWash - Loosens tough soils before any cycle virtually eliminating the need for soaking or pre-rinsing dishes
- Sanitize option (NSF Certified) - High-temperature rinse sanitizes and reduces by 99.999% the bacteria found on dishes
- Cabinet depth installation - Achieving an attractive, flush appearance that complements and blends in with cabinetry is possible with a unique design that doesn't reduce rack capacity
- Clean design inner door - The clean, attractive appearance features no visible hardware, so it's also easy to maintain
- Built-up floor capable - Installation over built-up floors is simple with the ability to adjust the dishwasher height
- Auto sense cycle - Automatically adjusts to soil level to maximize energy savings and ensure clean dishes
- 3 pressurized, full-coverage wash arms - Expect exceptionally clean and table-ready dishes with powerful wash arms that deliver 65% more wash power to the top and bottom racks compared to previous GE models\* (\*Delivered separately to the upper and lower racks)
- Dedicated Silverware Jets - Get table-ready silverware thanks to powerful jets that focus on silverware baskets in multiple locations
- 4-pass wash and dry element - Items come out consistently clean and dry with the help of this element, which evenly heats water for washing and air for drying
- 2/4/8-hour Delay Start - Wash dishes at your convenience
- Pearlescent dark gray racks with ball tip tines - Offer durability and secure dishes
- Quick connect power cord option - Completing an outlet installation is incredibly quick with an easy-to-connect cord (sold separately)
- Chrome accents on control panel - Enjoy a touch of modern style with this chrome accent on the control panel
- Top or side mount installation brackets - Enjoy flexible installation options with brackets that can be used to mount the dishwasher under the countertop or to the cabinets on the side
- Top and side trim installation strips - Gain a seamless appearance and quiet wash performance with easy-to-install trim strips
- Two-pump system - One efficient pump for washing/rinsing and one powerful low-energy pump to remove soils provide excellent wash performance with reduced sound
- Audible end-of-cycle signal - The dishwasher makes a sound to tell you when the load is complete and dishes are ready to unload
- ENERGY STAR® qualified / CEE qualified - Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
