GE® 17.9 Cu. Ft. Smart Garage Ready Convertible Upright Freezer, ENERGY STAR®

Features & Benefits

Garage Ready - Tested to perform in environments from 0°F to 110°F, this freezer delivers consistent cooling and reliable performance in spaces with fluctuating temperatures, like garages or basements.

Extra-Large Capacity - Enjoy 17.9 cu. ft. of extra-large freezer capacity, perfect for bulk grocery runs, weekend meal prep, and frozen family favorites. Go ahead- stock up. We've got the space.

Built-in WiFi Powered by SmartHQ - This smart freezer sends SmartHQ alerts to your phone if unsafe temperatures are detected or the door is left open, helping protect your most important frozen foods.

Convertible Freezer or Fridge - Easily convert your upright freezer to a refrigerator with adjustable temperature settings, so you get extra-large capacity for long-term frozen storage, or refrigerator space for everyday essentials.

Slide-Out Drawers - A convenient clear, full-width slide-out bottom drawer and clear, full-width middle drawer make it easy to organize and access your most important items.

LED Lighting - Quickly find your items thanks to flush-mounted LED lighting, which sheds crisp, even light throughout the interior.

Adjustable Glass Shelves - Store more of your favorite items and enjoy organizational flexibility at each level with adjustable, full-width glass shelves

Electronic External Controls - External electronic controls make it simple to adjust the temperature to your preference or switch to refrigerator mode.

Adjustable Door Bins - This freezer comes equipped with 5 spacious door bins, with 4 of the bins easily adjusting up or down so you can organize your items the way you want.

Built-in Alarms - Built-in audible temperature and door open alarms alert you to potential temperature fluctuations or if the freezer door has been left open, ensuring your frozen goods stay safe.

Frost-Free - This frost free upright freezer automatically removes ice build-up, saving you the time and effort of a manual defrost

Power Outage Promise - In the event of a power outage, your food stays frozen for 48 hours*, thanks to our Power Outage Promise, giving you peace of mind that everything you've stocked up on stays frozen.

*Temperature 32 degrees F or lower
