Consumer Benefits

Sensor Cook Technology

Sensors in the microwave determine and set the appropriate power levels and cook time to ensure great tasting food.

Sensor Reheat

Sensors in the microwave automatically adjust the temperature and time so that your food is reheated to perfection

Quick Start Options

Get meals on the table in minutes with six different Quick Start options that allow you to start cooking faster.

Bright Interior LED lighting

Monitor your dish while it cooks with the bright LED interior microwave light

Safety Lock Function

Two step open safety function helps limit children from opening the microwave and spilling hot contents during and 30 minutes after cooking. You can choose to permanently deactivate the safety lock function.

Large Fits-More™ Microwave
