# Whirlpool Gold® Side-by-Side Refrigerator

GSF26C4EX

## KEY FEATURES

- **MicroEtch™ Spill Control Shelves**  
MicroEtch™ Shelves provide 25% more usable shelf space – the most shelf space in the industry.†
- **In-Door-Ice® Plus Ice System**  
we moved the ice maker and bin to the door to give you 30% more freezer space, enough for 9 more frozen pizzas.\*
- **Largest Crisper** the largest crisper in the industry† fits 85 apples and is humidity controlled to help preserve the freshness of fruits and vegetables.
- **ENERGY STAR® Qualified** Energy Star appliances exceed government efficiency standards, so they are better for the environment and your wallet.
- **6th Sense™ Technology** built-in sensors automatically adjust cooling to return existing food to the desired temperature in half the time.\*\*
- **Convertible Meat-n-Veggie Compartment** customize the temperature of this compartment to prevent food from going bad prematurely. Open the slot and let cool air in from the freezer to preserve meats or close the opening to keep vegetables fresh.
- **Glass Freezer Shelves** redesigned shelves hold various-sized items and are easy to clean. Continuous glass surface prevents small items from slipping through the cracks unlike wire shelves.

The power to get  
more done
