GTWS8650D/8655D

GE® 5.0 DOE cu. ft. capacity washer with stainless steel basket and steam

Features and Benefits

- SmartDispense™ technology - The washer can hold about a two-month supply of detergent and fabric softener and automatically dispense the right amount for each load
- Steam Assist - Loosens soils and odors before the wash begins with steam vapor in the washer
- Stain Removal Guide - Easily eliminate tough stains with preprogrammed settings that modify your cycle to treat the four most common stains
- Soft-close glass lid - The convenience of hydraulic technology allows the lid to close gently every time
- LED washer basket light - Find every last sock with a bright LED light that effectively lights the wash basket
- CleanSpeak™ Communication System - Perfect drying performance is achievable thanks to the ability of the washer to communicate with the dryer to preset the dry cycle
- HydroHeater™ internal water heater - Boosts water temperatures and helps achieve sanitization
- Quietpack - Enjoy a powerful clean that you won't hear thanks to noise-dampening material that holds in sound for a quieter cycle
- ENERGY STAR® qualified and CEE Tier III rated meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
- Vibration Control - Quietly washes any-size load without vibration thanks to technology that optimizes spin pattern
- Model GTWS8650DWS - White
- Model GTWS8655DMS - Metallic Carbon
