GUS25M

GE® 25.3 Cu. Ft. Icemaker Ready and Garage Ready Side-By-Side Refrigerator

Features and Benefits

33" Width - A compact design fits in smaller spaces, yet still offers large storage capacity.

Garage Ready - This refrigerator is tested to perform in environments ranging from 38°F to 110°F, meaning it's a great fridge for your kitchen, basement, garage, or anywhere you need it.

Icemaker Ready - Optional (IM7A) icemaker sold separately, eliminates the need to fill ice trays and ensures you have a steady supply of ice on hand.

Extra Large Storage Capacity - It's easy to stay organized with extra room to store large or bulk food items with 25.3 cubic feet of storage space.

Adjustable Glass Shelves - Store more of your favorite tall items like two-liters, and take advantage of wide, wall-to-wall glass shelves - perfect for party platters and more - offering adjustable organization at every level.

Large Adjustable Door Bins - Move the clear door bins up and down to fit your storage needs – whether it's large gallons, tall bottles, or everyday essentials.

Interior Storage Drawers - With two fridge drawers and a separate freezer drawer, there's a place for everything - from fresh fruit to frozen fruit - so your family always knows where to look.

Bonus Storage Drawer - Located at the bottom of the fresh food section, this compartment is big enough to fit 10 cans or it's the perfect spot to be the kid's snack drawer.

LED Lighting - Find exactly what you're looking for under crisp, clear lighting.

MultiVent Cooling - Multiple vents distribute air flow to help keep set temperatures consistent.

Door Alarm - Protect your groceries with a door alarm that signals when the fresh food or freezer door has been accidentally left open.
