DIMENSIONS

 Height
 25 - 40 3/4"

 Width
 35 3/8"

 Depth
 19 11/16"

FEATURES & BENEFITS

QUIET AND EFFECTIVE

Featuring perimeter extraction, four fan speeds, and a boost function, this range hood provides powerful extraction to quickly remove odors and steam. Odors can linger in the kitchen well after cooking is finished so the timer keeps the hood working for up to 15 minutes before automatically turning off.

SIMPLE CONTROLS

The intuitive control panel responds to the touch of your finger. LED strip lighting illuminates the entire cooktop surface for the perfect sear or ideal reduction. Range hood settings, including temperature and fan speed, can be controlled via the Smarth Q^{TM}

app, with additional voice control options for fan speeds and lighting.

EASY CLEANING

Designed for simple removal, the filters are easy to clean and dishwasher safe, while the glass and stainless steel finish is easily wiped clean. The SmartHQ $^{\rm M}$ app will notify you when to clean the filter to ensure you get the best performance out of your range hood.

COMPLEMENTARY DESIGN

The stainless steel finish of this vent hood will complement any contemporary kitchen and is designed to match the rest of Fisher & Paykel kitchen appliance family.

EASY INSTALLATION

This range hood is the perfect partner to your Fisher & Paykel cooktop. It can be either externally ducted or internally recirculated, making it perfect for apartments.
