

MEET SOTTILE

The world's first indoor and UL-rated outdoor line of **18" deep** undercounter refrigeration.

▶ **INNOVATIVE INSPIRED BY GREAT DESIGN**

We went to the drawing board, designed a cabinet with a slim profile, and added our premium Signature Series features to create the industry's first shallow depth refrigerator. Enter Sottile, the world exclusive collection of undercounter refrigeration to measure just 18" deep.

Perlick has been designing, engineering and manufacturing the industry's leading portfolio of refrigeration and beverage dispensing products for nearly 100 years. It's why the design community came to us looking for refrigeration solutions for spaces that couldn't accommodate a traditional 24" deep unit.

*(from left to right) Sottile Wine Reserve,
Sottile Beverage Center and Sottile Refrigerator
– all shown with stainless steel glass door*

▶ **SIGNATURE SERIES SOTTILE**
PROOF THAT GOOD THINGS
DO COME IN SMALL PACKAGES

FEATURES

- Indoor and UL-rated outdoor refrigerator, beverage center and wine reserve models available
- 32" height makes the Sottile collection ADA compliant for universal design
- Industry exclusive full extension pullout shelves are adjustable in 1" increments
- Available with choice of solid stainless steel door, fully integrated overlay door, stainless steel glass door or fully integrated overlay glass door

Full extension pull out shelves are black vinyl coated to keep product gently cradled and reduce vibration transfer

Fully integrated overlay models available – convertible door design also allows all doors to be converted to fully integrated overlay from stainless steel

Product is brightly illuminated by adjustable Crisp White and Cool Blue LED Lighting

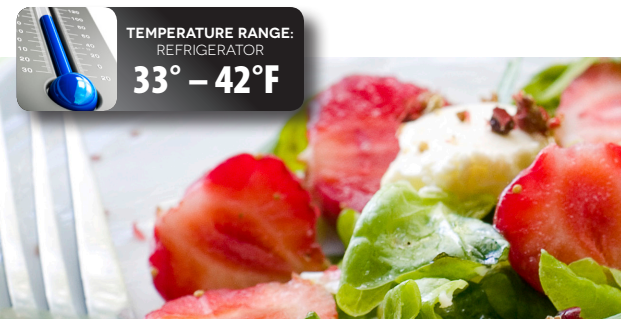

Commercial-grade stainless steel interiors and exteriors and digital temperature control

AVAILABLE MODELS | Signature Series Sottile Collection

SOTTILE REFRIGERATOR

SOTTILE INDOOR REFRIGERATOR	
HH24RS-3-1L*	solid stainless steel door, hinge left
HH24RS-3-2L*	solid fully integrated door, hinge left
HH24RS-3-3L*	stainless steel glass door, hinge left
HH24RS-3-4L*	fully integrated glass door, hinge left
SOTTILE OUTDOOR REFRIGERATOR	
HH24RO-3-1L*	solid stainless steel door, hinge left
HH24RO-3-2L*	solid fully integrated door, hinge left
HH24RO-3-3L*	stainless steel glass door, hinge left
HH24RO-3-4L*	fully integrated glass door, hinge left

TEMPERATURE RANGE:
REFRIGERATOR
33° – 42°F

SOTTILE BEVERAGE CENTER
