Signature Features

JBBFX22NMX

PRECISION TEMPERATURE MANAGEMENT™ SYSTEM

This sensor-controlled system manages the climate in the refrigerator and freezer, helping to keep your ingredients at their ideal preservation temperatures. The smooth-running refrigerator avoids abrupt start and stop cycles to maintain quiet tranquility in your space.

TEMPERATURE CONTROLLED PANTRY DRAWER

Keep a variety of ingredients chilled, from hors d'oeuvres to farmer's market produce. Select from three preset options to meet your desires.

LED LIGHTING

Illuminate the interior of the refrigerator and freezer for increased visibility when finding different ingredients anywhere in your appliance.

QUIET REFRIGERATION AT 31 DBA

Running at 31 dBA, this refrigerator operates quietly without sacrificing performance.

HUMIDITY CONTROLLED CRISPER DRAWER

A humidity-controlled crisper drawer creates an optimal food preservation environment using a tight gasket seal.

ADJUSTABLE DOOR BINS AND SHELVING

Expertly organize your foods inside the cavity with a set of versatile solutions designed with utility. Adjust the interior of the refrigerator to fit your lifestyle.

FULLY FLUSH & INTEGRATED DESIGN

With a stealth flush door and an articulating hinge, this built-in refrigerator goes incognito until open, enabling the refrigerator to install flush with cabinetry to offer a seamless appearance.

SLIDING FREEZER STORAGE TRAY

While entertaining or preparing high-quality foods, easily access essential frozen ingredients with a sliding storage tray.

WINE BOTTLE RACK

Chill and store up to 5 bottles of wine or spirits in the refrigerator with integrated storage.
