TRIFECTA™ WASH SYSTEM

No need to choose between brilliant cleaning, energy efficiency or quiet operation because our dishwashers deliver all three. Three-stage filtration, pressurized wash arms and alternating wash action in two zones work together to wash dishes with clean water.

DARING OBSIDIAN RACKS

A JennAir® signature, this dramatic, industry-exclusive black finish is inspired by the beauty of volcanic glass—showcasing clean dishes in striking contrast.

FOLD-AWAY™ TINES

Hinged tines allow space reconfiguration to handle uncommon cookware on special occasions or adapt to the every day.

REMOTE ACCESS

Remote start. Cycle monitoring. Connect to WiFi for real-time notifications and control your dishwasher from anywhere. Even download custom wash cycles directly to your appliance. Tap and swipe on both iOS and Android devices. ³
³ Appliance must be set to remote enable. WiFi & App required. Features subject to change. For details and privacy info, visit jennair.com/connect.</sup>

CINEMATIC LIGHTING

Shine a spotlight on clean. LED theater lighting ramps up to full intensity to chase away shadows and illuminate the daring Obsidian racks.

FLEXIBLE CAPACITY

Intimate affairs. Wild soirees. Enough capacity for a service of 14 means there's always room for one more.
