DEHUMIDIFIER

Our portable dehumidifiers are the perfect drying solution for any size living space. Get consistent humidity levels to stay comfortable even during the hottest days. Enjoy blissful comfort all day, every day.

Energy Saver

This unit's Energy Star certification lets you know that it is rated for better energy consumption than other dehumidifiers. This saves you money on your electric bill and is better for the environment.

-  REMOVABLE BUCKET WITH INDICATOR
-  CONVENIENT CARRYING HANDLE
-  CONTINUOUS DRAINING OPTION

Easy Empty

Enjoy uninterrupted dehumidification with the continuous drain option that will allow moisture to escape constantly so there's no need to empty the bucket yourself.

PREVENTS OVERFLOW

No need to worry about possible spillage. This unit features a full bucket alert and auto shut-off so the dehumidifier will stop running once the moisture collection bucket is full.

CONVENIENT MOVEMENT

Easily move the unit wherever you need dehumidification with the included caster wheels and integrated side handles. The dehumidifier is easy to use, easy to move, and ready whenever you need it.

WASHABLE REMOVABLE FILTER

Maintenance has never been easier. The unit comes with a washable, removable mesh filter that conveniently unclips for when it's time to remove and clean it.
