

GET YOUR INDOOR GRILL ON

Grill all year long with the Infrared grilling system from LG. LG's Infrared Grill has an infrared-heating element that gets your oven to reach broil temperature more quickly and cuts over 20% of your cooking time on common foods, like hamburgers and chicken breasts. And since this is the same technology as premium outdoor grills, your food will come out just as juicy. Also, our LG double oven is equipped with EasyClean™ interior that makes oven cleaning a breeze in just minutes.

COOKING PERFORMANCE

- 6.7 cu. ft. Total Oven Capacity
(2.3 cu. ft. / 4.4 cu. ft.)
- EasyClean™ Technology
- Tall Upper Oven (6")

CONVENIENCE

- IntuiTouch™ Keypad
- GoCook™ Oven Light
- 12 Hr. Automatic Shut-Off
- Self-Cleaning (Upper and Lower Ovens)
- Recessed Broiler Safe for your hands

Infrared Grill

EasyClean™ Technology

The next generation of oven cleaning, EasyClean™, provides a quick and easy way to clean your oven while still being able to use the conventional self-clean method. Just spray water, and after 20 quick minutes, simply wipe away the mess.

Large Capacity

Cook two meals at once – allows you to cook different dishes at different temperatures all at the same time. Gives you room for everything you'd need for a holiday dinner.

Infrared Grill™ System

LG's first infrared heating element gets your oven to broil temperature more quickly and cuts 30% off your cooking time on common items like hamburgers and chicken breasts. Infrared cooking – which uses the same technology as premium outdoor grills – also allows your food to be juicier than traditional thermal cooking.

Freestanding Electric Double Oven

LDE3037

CAPACITY
