- LoDecibel™ Quiet Operation

Linear Compressor

## KITCHEN STAR

With great looks and great features, this refrigerator is more than just a pretty set of doors. It features a generous 25 cubic feet of space in a design meant to keep it all organized. Our Smart Cooling system, which controls air flow, temperature, and humidity, helps keep your food fresh. And the Linear Compressor is confidently backed by a 10-year warranty.

### Ultra Capacity in 33" Width

If you feel like you never have enough space for your groceries, or find yourself cramming them in, it's time to discover the convenience of having a refrigerator with the largest capacity available in its category. With 25 cu. ft. of space in a 33" wide refrigerator, you have plenty of room for plenty more.

### Smart Cooling System

Smart Cooling system is designed to maintain superior conditions within the refrigerator. The Linear Compressor reacts quickly to temperature fluctuations and helps keep your food fresher, longer. Meanwhile, strategically-placed vents in every section surround your food with cool air no matter where you put it.

### 10 Year Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.
