BEAUTIFUL ON THE INSIDE. BEAUTIFUL ON THE OUTSIDE.

A lot of thought went into this LG refrigerator. On the outside – contoured doors, hidden hinges and commercial steel handles. And Inside is enhanced LED lighting and an integrated 4-compartment crispener system with a full width Glide N' Serve™ drawer.

Sophisticated Style & Design

Contoured doors, hidden hinges, and a host of great interior features give your refrigerator a look as sophisticated as it is functional.

10-Year Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.

Energy Star Rated

When your refrigerator uses at least 30% less energy than required by federal standards, you're going to make an impact – on your energy bill, your energy consumption, and most importantly, the environment.
