#### KEY FEATURES

##### Slim SpacePlus® Ice System

Ice makers are great, but not if it means you can't fit all of your food in the fridge. The Slim SpacePlus® Ice System provides maximum shelf space\* and allows even more space for door bins.

##### 10-Year Limited Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor uses fewer moving parts and operates more efficiently, LG confidently backs the compressor with a 10-year limited warranty.

##### Tall Ice & Water Dispensing System

From pitchers to pint glasses: finally a water dispenser that can accommodate just about all. The water- and ice-dispenser in this LG refrigerator is one of the tallest around, measuring in at an ultra-accommodating 13 inches.

\*Percent reduction in exchange rate of air between opening the Door-in-Door® compared to one French Door for 10 seconds.

\*\*Standard width french door refrigerator, excludes other LG manufactured products.
