Ultra-Capacity 3 Door French Door Refrigerator w/ Door-in-Door®

STYLISH. SPACIOUS.

If you think a refrigerator with top-of-the-line features means sacrificing style or space, this will make you reconsider. With 24 cu. ft. of space, this 33" wide refrigerator has the largest capacity on the market and boasts features like a tall water dispenser with an ice system that actually frees up shelf space. From post-workout protein shakes to after-school snacks, LG's Door-in-Door® design keeps all your favorites at your fingertips while reducing cold air loss to help keep foods fresher longer—all with the push of a button. It also has Smart Cooling technology built-in, designed to help keep your food fresher. With that, and much more, you get the peace-of-mind of a 10-year warranty on the Linear Compressor. It's a refrigerator with something for everyone.

KEY FEATURES

Door-in-Door®

For those fly-by visits to the refrigerator, the Door-in-Door® feature allows you to get in and get out providing easy access to beverages and snacks. Because food can be accessed without opening the entire refrigerator, reduce cold air loss by up to 47%* to help keep food fresher longer.

Slim SpacePlus® Ice System

Ice makers are great, but not if it means you can't fit all of your food in the fridge. The Slim SpacePlus® Ice System provides maximum shelf space** and allows even more space for door bins.

10-Year Limited Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor uses fewer moving parts and operates more efficiently, LG confidently backs the compressor with a 10-year limited warranty.

*Percent reduction in exchange rate of air between opening the Door-in-Door® compared to one French Door for 10 seconds.

**Standard width french door refrigerator, excludes other LG manufactured products.
