

# A937KGMS, A938KBGS & A939KBGS

LG CordZero™ Cordless Stick Vacuums with All-in-One Tower™

## The first stick vacuum that charges, stores and auto-empties—all in one

GET UP TO  
**120**  
MINUTES  
OF RUN TIME WITH  
2 QUICK-RELEASE  
BATTERIES\*

Get hands-on cleaning control and hands-off debris removal with the All-in-One Tower™ that keeps your LG stick vacuum clean, charged and ready to go—automatically. Two quick-release batteries and Kompressor® technology combine for uninterrupted cleaning power, with multiple tools for cleaning all kinds of surfaces. Return the vac to the tower to recharge, store tools neatly out of sight and let Auto Empty clean out the dust bin for you. Your hands, floor and air stay clean and your CordZero™ vac is ready to go when you need it next.

All-in-One Tower™ with Auto Empty  
THE HANDS-FREE WAY  
TO DEAL WITH DUST AND  
DEBRIS—AUTOMATICALLY

Lasting Power & Kompressor® Technology  
CLEAN MORE, CLEAN  
LONGER, EMPTY LESS—  
PLUS POWERFUL SUCTION

Versatile Power Mop Attachment\*\*  
GO FROM VACUUM TO  
WET MOP TO FINISH  
HARD FLOORS IN A SNAP

Available in:    
Sand Beige Iron Grey

Sleek, beautiful All-in-One Tower™ automatically empties the dust bin, while charging both batteries and also storing your LG stick vacuum and tools

\*In normal mode without Power Nozzles using two batteries. \*\*Included with model A939KBGS only.

All-in-One Tower™ with Auto Empty

THE HANDS-FREE WAY TO DEAL WITH DUST AND DEBRIS—AUTOMATICALLY

- A clean home *and* clean hands—thanks to the easiest way ever to empty a dust bin
- Simply dock this LG stick vacuum in its All-in-One Tower™ and Auto Empty takes it from there, automatically opening the bin and depositing the contents into a larger, disposable collection bag
- No more scattering debris all over your clean home
- Enjoy better suction with an empty dust bin the next time you clean

Lasting Power & Kompressor® Technology

CLEAN MORE, CLEAN LONGER, EMPTY LESS—PLUS POWERFUL SUCTION

- LG Smart Inverter Motor™ provides our best suction power\* across a range of floor types—and is backed by a 10-year limited warranty for lasting peace of mind
- Kompressor® technology more than doubles bin capacity compared to previous models with a press of the lever, so you can keep cleaning instead of stopping to empty the dust bin
- Long-lasting dual batteries mean you may run out of energy long before this powerful LG CordZero™ vacuum does

\*Among LG's cordless stick vacuums.

Versatile Power Mop Attachment\*\*

GO FROM VACUUM TO WET MOP TO FINISH HARD FLOORS IN A SNAP

- Power Mop attachment turns your LG CordZero™ vacuum into a convenient way to bring hard floors to a perfect finish
- Uses regular tap water—no special solutions or harsh chemicals needed
- Dual spinning microfiber pads can easily be removed and washed
- Integrated water tank is removable for easy filling, and automatically moistens pads based on the setting you select, from High to Low to Off (dry mopping)

\*\*Included with model A939KBGS only.

# Additional Features

## Uninterrupted Cleaning

### GET UP TO 120 MINUTES\* OF RUN TIME WITH TWO QUICK-RELEASE BATTERIES

- Two rechargeable, detachable batteries let you clean and charge at the same time for up to 120 minutes\* of uninterrupted performance
- Upgraded lithium-ion batteries are designed to take repeated charges and come back for more

\*In normal mode without Power Nozzles using two batteries.

## Hidden Tool Storage

### KEEP TOOLS HANDY, BUT NEATLY OUT OF SIGHT

- Sleek All-in-One Tower™ includes convenient, hidden storage for up to 6 tools and accessories
- Multiple tools let you clean all kinds of surfaces, both high and low
- Comes with Power Mop attachment,\*\* Universal Nozzle, Power Floor Nozzle†, Power Mini Nozzle, and Combination and Crevice Tools

\*\*Included with model A939KBGS only. †Included with model A938KBGS only.

## One-Touch Control

### EASY CLEANING WITH JUST A TOUCH

- One-touch control lets you turn the vacuum on and off or select different power levels with just a touch
- Makes cleaning more comfortable, with less strain on your hand

## Telescopic Wand

### EXTEND YOUR CLEANING REACH

- Get an additional 9.5" of cleaning reach for tall or hard-to-reach areas with a click of the adjustable, telescopic wand
- Makes it easy to adjust the vacuum to a comfortable height for any user
- Quickly return the wand to its original length for compact storage

## Washable Cyclone & Filters

### EASY MAINTENANCE

- Help extend vacuum life with easy-to-maintain removable and washable filters
- Unlike other vacuums that only let you remove the filter, you can remove the cyclone system on the vacuum and filters on both the vacuum and tower to promote better airflow and help keep the vacuum running at its best
- Use the ThinQ® app to access step-by-step guides for cleaning the filters and set up smartphone reminders for routine maintenance
