Power & Performance

PERFECT POWER FOR ROUTINE CLEANING

- A new, more efficient airflow design coupled with our powerful Smart Inverter Motor™ provides up to 150 Air Watts of suction
- Delivers all the pick-up power you need to meet your daily cleaning routine head-on
- It's suction power designed to last, with 15 cyclones that separate dirt and debris from the airflow to help keep filters cleaner and reduce clogs that can affect suction performance over time

Auto Multi-Surface Detect

AUTOMATICALLY DETECTS CARPET OR HARD FLOORS

- Updated Dual Floor Max™ Lite Nozzle with built-in sensors detects carpet or hard floors on the fly and automatically adjusts vacuum suction power for each surface
- It incorporates both a soft roller and a carpet agitator in one, so you don't have to fuss with changing attachments to get the deep clean you want
- Perfect for pet owners, it easily picks up hair while minimizing messy tangles
- Built-in LED headlight illuminates your cleaning path so even in dark corners, dirt has nowhere to hide

5-Step Filtration System

FILTERS OUT DUST FOR SUCTION POWER THAT LASTS

- Our 5-step filtration system helps to filter out dust by separating suctioned dust in the dust bin, then filtering the remaining fine dust
- The 15 cyclones help optimize suction power over time by lessening the potential for clogs

Additional Features

Removable & Washable Cyclone, Filters & Dust Bin

EASY TO MAINTAIN

- Extend the life of your vacuum with easy to maintain washable components that can all be removed with a simple twist—no tools required
- Unlike other vacuums that only let you remove the filter, LG CordZero™ lets you remove the filters, dust bin and cyclone to clean away dirt and keep your vacuum running at its best

Kompressor® Technology

COMPRESS DIRT AND DUST SO YOU CAN CLEAN MORE, EMPTY LESS

- Press the Kompressor® lever to compress collected dirt, dust and pet hair in the bin and create up to two times more* bin capacity
- Easily empty the bin when full, with less mess and scattered dust

* Vs. models without Kompressor® technology.

Quick-Release Battery

UP TO 60 MINUTES OF LONG-LASTING PERFORMANCE**

- Rechargeable, quick-release battery delivers up to 60 minutes of power**, so you can clean upstairs and downstairs, hard floors and carpet
- Upgraded lithium-ion battery is designed to take repeated charges and come back for more

** In lowest setting without powered tools.

One-Touch Control

CONTROL FEATURES WITH A SINGLE TOUCH

- Turn the vacuum on and off or change power levels with the touch of a thumb, without cramping your hand
- LED indicators show status for charging, filter maintenance and battery life, and alert you to potential clogs

Detachable Handheld Vacuum

QUICK SPOT CLEANING

- Detach the hand vacuum for quick and easy spot cleaning and the versatility to switch between floors and furniture
- Multiple tools let you clean all kinds of surfaces, both high and low
- Store tools on the wall-mount charging dock to keep them handy
