

Best of both worlds—this LG range has everything you love about gas and electric in one

You want it all, this dual fuel range delivers in a big way. An electric oven, renowned for fast heating and minimal temperature fluctuation, includes LG ProBake Convection®—the gold standard in convection technology. Then there's the ultimate power and control only a gas cooktop can deliver. With 5 burners and the largest capacity oven in its class*—not to mention the sleek, slide-in design—you won't have to compromise a thing.

Stainless Steel

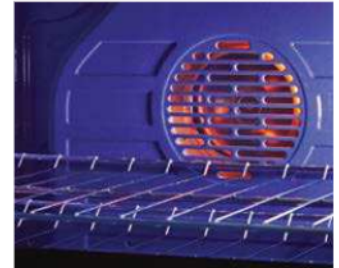

Performance

PERFECT BAKING AND ROASTING FOR MEALS THAT MATTER MOST

- LG ProBake Convection® ranges offer the gold standard in convection technology, for meats roasted to perfection and even baking on every rack, every time*
- Inspired by pro-style ranges, the powerful 2.5kW element with dual-speed fan evenly distributes super-heated air, minimizing hot and cold spots for mealtime perfection that never disappoints—once you try it, you'll never go back

*Compared to LG's conventional ovens.

ProBake Convection®

Largest Capacity**

ROOM FOR THE BIGGEST TURKEY AND ALL THE SIDES

- This 6.3 cu. ft. range has the largest capacity oven in its class** so you can cook for one, or cook for all
- Whether you're baking large batches of cookies or a 20-pound turkey and all the sides for the holidays, the oven can fit all the pots, pans, Dutch ovens and skillets you need to get your cook on

**Based on LG internal survey (October 2018) for 6.3 traditional self-clean gas and electric single ovens, 6.9 gas double ovens and 7.3 electric double ovens.

Versatility

THE BENEFIT OF A GAS COOKTOP AND ELECTRIC OVEN ALL IN ONE

- Now you don't have to choose between electric or gas—dual fuel technology delivers the best of both worlds
- This range uses gas to fuel the cooktop for faster heating and boiling, while the electric oven helps you achieve professional-style baking results

Additional Features

UltraHeat™ 18,500 BTU Burner

POWER UP FOR FASTER BOILING

- When ordinary burners can't keep pace with your on-demand dinner schedule, turn up the power with LG's UltraHeat™ 18,500 BTU burner
- Precision burner ports angle the flame for more direct heating, quickly boiling water and other liquids so you spend less time waiting, more time enjoying

EasyClean®

KEEP YOUR OVEN LOOKING LIKE NEW

- Get a spotless oven in just 10 minutes with the fastest oven-cleaning feature available*
- Simply spray the interior with water, press the EasyClean® button and let the oven do the work—without chemicals or high heat
- Use the regular self-clean cycle for the occasional deep clean

*Among major leading home appliance brands as surveyed in June 2017. Heavy build-up may require additional manual effort or use of the full self-clean feature.

Style & Design

SLEEK LINES SHOW OFF YOUR STYLE

- Slide-in design places the controls up front for a built-in look that lets the beauty of your custom backsplash and countertops show through
- The streamlined styling integrates beautifully with surrounding cabinetry

Ergonomic Tilted Controls

DESIGNED TO PERFORM—BEAUTIFULLY

- Tilted front panel has just the right balance of style and functionality, with easy-to-reach knobs and easy-to-read display
- Heavy duty metal knobs combine a premium, pro-style look with pinpoint cooktop control

Smart Features

TAP INTO SMART FEATURES FOR FOOLPROOF RESULTS

- Use the SmartThinQ® app to start the oven, set timers or check on dinner from anywhere
- Get inspired and expand your menu options using the SideChef, Innit or Tovola apps, then automatically send temperatures and cook times to your oven
- Go hands-free—select oven features work with Alexa and the Google Assistant
