Electric Slide-In Ranges with ProBake Convection®

Performance

PERFECT BAKING AND ROASTING FOR MEALS THAT MATTER MOST

- LG ProBake Convection® ranges offer the gold standard in convection technology, for meats roasted to perfection and even baking on every rack, every time*
- Inspired by pro-style ranges, the powerful 2.5kW element with dual-speed fan evenly distributes super-heated air, minimizing hot and cold spots for mealtime perfection that never disappoints—once you try it, you'll never go back
- Models with Infrared Heating™ cut up to 20% off of your cooking time** with no preheating while locking in juices and achieving that characteristic seared flavor

*Compared to LG's conventional ovens. **Compared to LG's non-Infrared Heating™ ovens using chicken breasts, hamburgers and salmon.

ProBake Convection®

Largest Capacity***

ROOM FOR THE BIGGEST TURKEY AND ALL THE SIDES

- These 6.3 cu. ft. and 7.3 cu. ft. single and double oven ranges have the largest capacity ovens in their class*** so you can cook for one, or cook for all
- Whether you're baking large batches of cookies or a 20-pound turkey and all the sides for the holidays, the oven can fit all the pots, pans, Dutch ovens and skillets you need to get your cook on

***Based on LG internal survey (October 2018) for 6.3 traditional self-clean gas and electric single ovens, 6.9 gas double ovens and 7.3 electric double ovens.

Additional Features

Fastest Boiling 3.2kW Element

SAVE TIME AND GET LG'S FASTEST BOIL

- With 3,200 watts, this dual cooktop element is the most powerful available*
- Not only does it deliver LG's fastest boil to save precious minutes, it lets you match the element size to your cookware for the utmost in flexibility

*As compared with other LG electric models, non-induction models.

EasyClean®

KEEP YOUR OVEN LOOKING LIKE NEW

- Get a spotless oven in just 10 minutes with the fastest oven-cleaning feature available**
- Simply spray the interior with water, press the EasyClean® button and let the oven do the work—without chemicals or high heat
- Use the regular self-clean cycle on select models for the occasional deep clean

**Among major leading home appliance brands as surveyed in June 2017.

Heavy build-up may require additional manual effort or use of the full self-clean feature.

Style & Design

SLEEK LINES SHOW OFF YOUR STYLE

- Slide-in design places the controls up front for a built-in look that lets the beauty of your custom backsplash and countertops show through
- The streamlined styling integrates beautifully with surrounding cabinetry
- PrintProof™ black stainless steel and matte black stainless steel finishes on select models resist fingerprints and smudges to keep your kitchen looking its best

Ergonomic Tilted Controls

DESIGNED TO PERFORM—BEAUTIFULLY

- Tilted front panel has just the right balance of style and functionality, with easy-to-reach knobs and easy-to-read display
- Heavy duty metal knobs combine a premium, pro-style look with pinpoint cooktop control
