

# DLE7000/DLG7001 & DLE7150/DLG7151

7.3 cu. ft. Top Load Dryers with Sensor Dry

# Generous capacity fits more clothes while Sensor Dry automatically adjusts drying time—so you don't have to

The LG Sensor Dry system keeps tabs on moisture levels throughout the cycle and automatically adjusts drying time as needed. And with generous 7.3 cu. ft. capacity that fits more laundry in every load, this dryer makes laundry day easier all-around. FlowSense™ duct clogging and lint filter indicators let you know when your ducts need cleaning to avoid lint buildup and keep your dryer clean, efficient and safe.

### Drying Performance

SENSOR ADJUSTS DRYING TIME TO ELIMINATE THE GUESSWORK

### Ultra Large Capacity

SPEND LESS TIME ON LAUNDRY WITH MORE ROOM FOR CLOTHES

### FlowSense™ Duct Clogging & Lint Filter Indicators

KEEP YOUR DRYER CLEAN, EFFICIENT AND SAFE

Options include the DLE7000 with solid door or the DLE7150 with silver door trim and knob accents, plus see-through glass door that lets you quickly check on clothes

Available in:

White

Drying Performance

**SENSOR ADJUSTS DRYING TIME TO ELIMINATE THE GUESSWORK**

- No more damp clothes—the built-in sensor detects moisture levels and automatically adjusts drying time for loads of all sizes
- No more overdrying—dryer shuts off at just the right time to save energy with less wear and tear on clothes

Ultra Large Capacity

**SPEND LESS TIME ON LAUNDRY WITH MORE ROOM FOR CLOTHES**

- Free up your day—fit more clothes in every load with 7.3 cu. ft. of space
- Running fewer loads saves energy and money on your utility bill

FlowSense™ Duct Clogging & Lint Filter Indicators

**KEEP YOUR DRYER CLEAN, EFFICIENT AND SAFE**

- FlowSense™ duct clogging and lint filter indicators let you know when your ducts and filter need cleaning to avoid lint buildup
- Improves the dryer's performance for greater efficiency and lower utility bills
- Gives you safer, worry-free operation with fewer service calls

# Additional Features

**ENERGY STAR® Certified**

**WHO SAYS DRYERS CAN'T BE ENERGY EFFICIENT?**

- High efficiency sensor drying and low-heat settings save energy and money
- ENERGY STAR® certified dryers use about 20% less energy than conventional models without sacrificing features or performance

**Aluminized Alloy Steel Drum**

**GOOD LOOKS THAT ARE BUILT TO LAST**

- An advanced aluminized alloy coating is added to the steel dryer drum to enhance durability and maintain its luster and attractive finish
- Helps keep nicks and chips at bay so your dryer looks like new even after years of use

**LoDecibel™ Operation**

**PUT PEACE AND QUIET BACK INTO YOUR DAY**

- Run the dryer whenever you want—the motor and other components are designed for quiet operation that won't interrupt naptime or your favorite show
- Pleasant end of cycle chime lets you know when clothes are dry

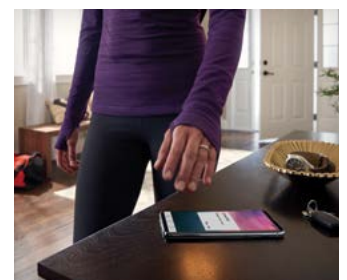

**SmartDiagnosis™**

**SMARTER TROUBLESHOOTING**

- LG dryers are built for reliable performance, but if you ever do experience an issue, you don't have to worry
- SmartDiagnosis™ helps the service center diagnose problems over the phone or with a simple app on your smartphone, helping minimize costly, inconvenient service calls\*

\*SmartDiagnosis™ is designed to supplement existing methods of problem identification and may not be able to troubleshoot all issues.

**Flexibility**

**REVERSIBLE DOOR GIVES YOU MORE INSTALLATION OPTIONS**

- When space is tight or your laundry room doesn't fit the "typical" setup, this dryer's door can easily be reversed to fit your needs
- Go from a right swing to a left swing in minutes—just unscrew the hinges and reattach using the pre-drilled holes on the opposite side
