

LDTH5554/LDPH5554

Smart Top Control Dishwashers with 1-Hour Wash & Dry Cycle and Dynamic Heat Dry™

Experience LG's leading 1-hour wash and dry cycle to achieve sparkling, table-ready dishes in less time

Choose from two door styles: towel bar or pocket handle with hidden LED timer

With our leading 1-hour wash and dry cycle, you can spend less time waiting on dishes and more time on what matters. Plus, our Dynamic Heat Dry™ technology will circulate hot air throughout the dishwasher for faster, more complete drying that won't melt your plastics. LG's convenient top control design makes it easier than ever to preview and select the settings you want, while 3rd Rack provides a customization-racking experience. All this is paired with the reassurance of a 10-year manufacturer's limited warranty on the Inverter Direct Drive Motor.

LDTH5554/LDPH5554

Smart Top Control Dishwashers with
1-Hour Wash & Dry Cycle and Dynamic Heat Dry™

1-Hour Wash & Dry

GET CLEAN AND DRY DISHES FASTER THAN EVER BEFORE

- LG's exclusive QuadWash® Pro and Dynamic Heat Dry™ technologies combine to deliver our leading 1-hour wash and dry cycle for sparkling, table-ready dishes in less time
- Spend less time waiting and more time on what matters

QuadWash® Pro

PRO-LEVEL PERFORMANCE WITH 38% MORE CLEANING POWER*

- Tackle post-dinner cleanup like a pro with the enhanced cleaning power of QuadWash® Pro for exceptional cleaning performance
- High-pressure jets with 38% more cleaning power* spray dishes from multiple angles, while soaking them with over one million microbubbles to help break down stubborn food residue

* As compared to LG's standard QuadWash.*

LG QuadWash® Pro

Dynamic Heat Dry™

FASTER, MORE COMPLETE DRYING** FOR SPARKLING, TABLE-READY DISHES

- Our Dynamic Heat Dry™ technology circulates hot air throughout the dishwasher for faster, more complete drying** that won't melt your plastics
- Delivers sparkling, table-ready dishes right off the rack

** As compared to LG dishwashers without Dynamic Heat Dry™ technology.

Additional Features

ThinQ® Auto Leak Detection

BUILT IN LEAK DETECTION FOR PEACE OF MIND

- ThinQ® monitors water supply, drainage and leakage and will notify you if any issues arise after installation*—built right in for worry-free operation
- Compatible models will alert you as soon as there is an issue*

* Available on select LG smart appliances with wi-fi enabled.

3rd Rack

A CONVENIENT SPOT FOR HARD-TO-FIT ITEMS

- Holds more items so you can save time and wash fewer loads
- From flatware to long-handled utensils to mini tart pans, items that may otherwise need to be washed by hand finally have their place in the dishwasher

LoDecibel™ Operation

SO QUIET, YOU CAN USE YOUR INDOOR VOICE

- Run the dishwasher whenever you want—day or night
- The 46 dB cleaning cycle is so quiet you won't have to worry about interrupting post-dinner-party conversations or naptime
- Especially important for homes with open floor plans where sound readily travels from room to room

EasyRack® Plus

MORE FLEXIBILITY MEANS NO DISH GETS LEFT BEHIND

- Fit more dishes, run fewer loads and make short work of after-dinner cleanup
- With three height settings, the upper rack adjusts effortlessly and smoothly to make room for tall stemware on top or oversize pans below
- Customizable tines offer greater flexibility for loading dishes of all shapes and sizes without compromising cleaning performance

Easy Installation

EASY INSTALLATION WITH PROS AND DIYERS IN MIND

- LG dishwashers are built with pros and DIYers in mind
- Every dishwasher comes with a thoughtfully built base and standard hardware designs that helps save time and money
- Includes features such as: flexible mounting, factory-installed 3/8" brass fitting and 6-foot drain hose to help prevent leaking, faster leveling, quick-access junction box, no-fuss insulation blanket and universal installation parts
