Largest Capacity

Enjoy the style of built-in with the largest capacity counter-depth refrigerator available. With 25 cu.ft., shallower depth and flushed with your countertop you can store more food than ever before.

*Standard width french door refrigerator, excludes other LG manufactured products

More Space

The LG Slim SpacePlus™ Ice System is on the inside door, freeing up valuable space in the fresh food shelf compartments and allowing for even more space for door bins. More space means you can store more food.

Smart Cooling Plus System

Smart Cooling Plus technology is designed to maintain superior conditions within the refrigerator. The Linear Compressor and Dual Evaporators react quickly to humidity and temperature levels and help keep your food fresher, longer. Meanwhile, strategically-placed vents in every section surround your food with cool, fresh air no matter where you put it.

COUNTER-DEPTH. LARGEST CAPACITY.

With the largest capacity in its class, at 25 cu. ft., this LG three-door counter depth refrigerator can not only stand flush with your countertop to provide a seamless look, it's got the room to store all your family's favorite foods. This spacious refrigerator is equipped with LG's Smart Cooling System designed to maintain superior humidity and temperature level to help keep your food fresher, longer.
