

Built-in style, full-size capacity—with LG Counter-Depth MAX™

This large capacity fridge fits all of your favorites and more while still fitting in seamlessly with your kitchen style. LG offers the capacity you typically get in a standard-depth refrigerator packaged in a sleek, counter-depth design so you don't need to compromise a thing. The convenient internal dispenser offers easy access to filtered water while providing sleek, minimalist doors with no visible dispenser.

Counter-Depth MAX™

LG'S LARGEST CAPACITY COUNTER-DEPTH FRIDGE

Pocket Handle

DESIGNED WITH STYLE IN MIND

Internal Water Dispenser

SINGLE-HANDED ACCESS TO FRESH, FILTERED WATER

Available in:

PrintProof®
Stainless
Steel

Fit all of your favorites while still fitting in seamlessly with your kitchen style—LG delivers the capacity of a standard-depth refrigerator packaged in a sleek, counter-depth design

Counter-Depth MAX™

LG'S LARGEST CAPACITY COUNTER-DEPTH FRIDGE

- LG delivers the ultra-large capacity of a standard-depth fridge packaged in a counter-depth design for a seamless, built-in look
- Stock up on everything you need and enjoy 25% more space* for your family's favorite foods and drinks

*Based on the internal study utilizing average cans to quantify available storage space, conducted in March 2022, comparing LG models LRFVC2406S and LRFOC2606S.

COUNTER-DEPTH **MAX**™

Pocket Handle

DESIGNED WITH STYLE IN MIND

- MAX out your fit with this sleek, seamless design from LG and take in the contemporary vibe
- Discreet, easy-access pocket handles complement the flat door for a sleek, elevated look to your kitchen

Internal Water Dispenser

SINGLE-HANDED ACCESS TO FRESH, FILTERED WATER

- Get a fast, easy fill that's always within arm's reach
- Conveniently dispense filtered water into your cup, pitcher or even a small saucepot with just one hand

Additional Features

Automatic Ice Maker

MAKE ICE WITHOUT MAKING ICE

- Built-in ice maker automatically makes ice cubes, so you'll always have ice on hand for those hot summer days or when entertaining at home
- Still need more ice? Turn on IcePlus™ to kick ice production into high gear by automatically lowering freezer temperatures to the coldest setting for 24 hours

Smart Inverter Compressor

SMART COOLING, SMARTER LIVING

- Adjusts cooling power based on the quantities of stored food and the refrigerator's inside and outside temperature
- LG confidently backs the Inverter Compressor with a 10-year limited warranty

Door Cooling +

CONSISTENT TEMPS FROM TOP TO BOTTOM

- Located in the top of the fresh food section, the Door Cooling + vent extends the reach of LG's Smart Cooling system
- Blasts of cool air reach all areas of the refrigerator—including the door—to help maintain consistent temperatures from top to bottom
- Helps keep all foods fresh and flavorful

Interior Style & Design

A FRESH INTERIOR VIEW

- Cool Guard metal interior panel wall helps maintain cold air while adding a premium look
- See clearly and find food quickly with white LED lighting throughout
- The 2 crispener drawers and full-width Glide N' Serve® drawer make it easy to find space for all that food you want to keep fresh

ThinQ® Smart Features

THINQ® HELPS MAKE LIFE HAPPEN*

- Use the ThinQ® app to control your refrigerator remotely or use voice commands with Alexa and Google voice assistants
- ThinQ Care™ helps keep your appliance running smoothly by sending proactive usage, maintenance and diagnostic alerts to your smartphone

* Available on select LG smart appliances. Features may vary by model.
