

Our largest capacity fridge gives you more room—and a sleek, seamless look

This large capacity fridge fits all of your favorites and more while still fitting in with your kitchen décor. LG offers the capacity you typically get in a standard-depth refrigerator packaged in a sleek design so you don't need to compromise a thing. The convenient internal dispenser offers easy access to filtered water while providing sleek, minimalist doors with no visible dispenser.

Additional Features

Door Cooling +

CONSISTENT TEMPS FROM TOP TO BOTTOM

- Located in the top of the fresh food section, the Door Cooling + vent extends the reach of LG's Smart Cooling system
- Blasts of cool air reach all areas of the refrigerator—including the door—to help maintain consistent temperatures from top to bottom
- Helps keep all foods fresh and flavorful

Linear Cooling™

PRECISION COOLING TO KEEP FOOD FRESHER, LONGER

- You go all out when it comes to choosing fresh foods for your family—LG Linear Cooling™ helps you keep them that way
- After sensing fluctuations, it maintains temperatures within 1°F of the setting to keep produce fresher and maintain full flavors

Automatic Ice Maker

MAKE ICE WITHOUT MAKING ICE

- Built-in ice maker automatically makes ice cubes, so you'll always have ice on hand for those hot summer days or when entertaining at home
- Still need more ice? Turn on IcePlus™ to kick ice production into high gear by automatically lowering freezer temperatures to the coldest setting for 24 hours

2 Crispers + Glide N' Serve® Drawer

MORE ORGANIZATION, EASIER ACCESS

- The 2 crisper drawers give you easy access to your fruits, vegetables and beverages
- Also features a full-width Glide N' Serve® drawer, making it easy to find space for all that food you want to keep fresh

Interior Style & Design

A FRESH INTERIOR VIEW

- Cool Guard metal interior panel wall helps maintain cold air while adding a premium look
- See clearly and find food quickly with white LED lighting throughout
