3 Cooling & Fan Speeds with Auto Cool

Three powerful cooling and fan speeds allow you to control the temperature of your room at your pace.

4-Way Air Direction

Enjoy the cool air even more with our 4-way air direction. By adjusting the deflection, air is directed up, down, left or right to move the air where it's needed most.

Electronic Touch Controls with Remote

Control the temperature of your room with just a push of a button. Our stylish remote control is easy to use and allows you to cool down from across the room.
