- Smart Oven Light
- 12 Hr. Automatic Shut-Off
- Self-Cleaning
(Upper and Lower Ovens)

DOUBLE THE SPACE. TRIPLE THE PRAISE.

Cooking a dinner for two? No problem. Dinner for 20? No problem.

The LG Double Oven gas range has 6.1 cubic feet of total oven capacity and 2 standard racks with 7 positions, so you can cook until your heart's content. Plus, with its Premium Stainless Steel finish and Brilliant Blue Interior, your guests will be drooling over more than just your meal.

Superior performance, with a touch of class. That's LG.

EasyClean™

LG brings you the next generation of oven cleaning. Put away the gloves and sponge, because with the new EasyClean™ Enamel coating, you get a quick and high performance clean, inside and out—without the smells of chemicals or self clean.

Large Capacity

Cook two meals at once – Allows you to cook different dishes at different temperatures all at the same time. Gives you room for everything you'd need for a holiday dinner.

Self-Cleaning

Both ovens come with a self-cleaning mode that virtually eliminates the need to scrub.
