

SIDE-BY-SIDE REFRIGERATORS

Modern Design and Exclusive Features

Express your stylish side and let your organized side have it all with the new LG side-by-sides. Stock up for the week and store it all in easy sight with easy access to all 27 cu. ft. of space.* The modern flat panel design is enhanced with discreet, easy-access pocket handles.

*Counter-depth models are 23 cu. ft. and will be available Spring 2022.
