

WM3600, WM4000 & WM4200

4.5 and 5.0 cu. ft. Front Load Washers with Built-In Intelligence

Sleek style, plus built-in intelligence and available turbo-charged cleaning* to get laundry done without the guesswork

Beneath the beautiful exterior of these front load washers are LG innovations that are built to perform. TurboWash™ 360° uses five powerful jets with variable sprays to give even larger loads a complete clean in under 30 minutes.* Built-in intelligence uses AI technology and advanced sensors to detect fabric texture and load size to automatically select the perfect settings. The Allergiene™ cycle uses steam to reduce common household allergens in baby clothes, bedding and more—perfect for asthma or allergy sufferers.
