

## WT7000 & WT7150

4.5 and 5.0 cu. ft. Top Load Washers with TurboDrum™

These LG top load washers have the cleaning power and capacity you need, nothing you don't

Save time with ultra large and mega capacity washers that let you put more clothes in every load—with TurboDrum™ and 6Motion™ technologies that deliver a complete but gentler clean. Clothes come out clean and well-cared-for, and you get more time back in your day. Plus, in the rare event you experience an issue, SmartDiagnosis™ helps keep worry at bay with quick, efficient troubleshooting.

Performance

**TOUGH ON DIRT, EASY ON CLOTHES**

- TurboDrum™ technology simulates the agitator effect of traditional top load washers for a complete but gentler clean
- The LG Direct Drive Motor rotates independently from the tub mechanism, so they spin in different directions to move clothes efficiently through the detergent and water solution

**TurboDrum™**

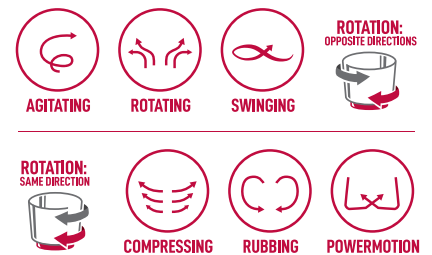

6Motion™ Technology

**GET A CUSTOM CLEAN**

- Based on the cycle you select, LG 6Motion™ technology uses up to 6 different wash motions, each designed to get clothes cleaner and help them last longer
- Options range from a scrubbing PowerMotion that helps to dissolve stains to the gentle Swinging motion that's ideal for delicates

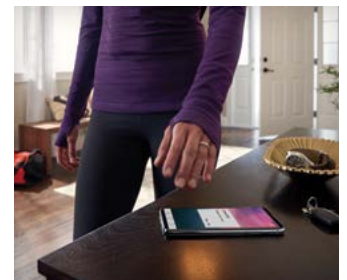

SmartDiagnosis™

**SMARTER TROUBLESHOOTING**

- LG washers are built for reliable performance, but if you ever do experience an issue, you don't have to worry
- SmartDiagnosis™ helps the service center diagnose problems over the phone or with a simple app on your smartphone, helping minimize costly, inconvenient service calls\*

\* SmartDiagnosis™ is designed to supplement existing methods of problem identification and may not be able to troubleshoot all issues.

# Additional Features

## Mega & Ultra Large Capacity

### GO BIG TO SAVE TIME AND GET MORE DONE

- Say never again to never-ending piles of laundry—these mega and ultra large capacity washers fit more clothes in every load and help you power through laundry day in less time
- With up to 5.0 cu. ft.\* capacity, you can fit a king-size comforter and a full set of bedding in a single load, for big time savings every week

\* WT7150 is 5.0 cu. ft., WT7000 is 4.5 cu. ft.

## Water Plus

### DEEP FILL—WHENEVER YOU CHOOSE

- The deep clean you already expect from LG top load washers, plus a Water Plus option to add extra water to any cycle with the touch of a button
- Press Water Plus at the start of the cycle to select the maximum water level—the one-time setting will automatically switch back to high-efficiency water levels the next time you're ready to wash

## ColdWash™ Option

### CLEANS LIKE WARM, SAVES LIKE COLD

- Saving energy doesn't have to mean compromising on cleaning with the ColdWash™ option
- Powered by the LG Direct Drive Motor and 6Motion™ technology, it's ideal for cleaning all types of clothes—even those you normally wash in warm water
- Can be used with almost any wash cycle and virtually all fabric types

**SAVE ENERGY**

## Direct Drive Motor

### COUNT ON QUIET, EFFICIENT PERFORMANCE

- Backed by a 10-year limited warranty, the LG Direct Drive Motor delivers peace of mind with every load
- Fewer moving parts means less noise and vibration, greater stability and durable performance you can depend on for years to come

## ENERGY STAR® Certified\*

### SAVE WATER, SAVE ENERGY, SAVE MONEY

- This LG high efficiency top load washer uses far less water and energy than a conventional washer for savings that add up with each load
- Get additional savings with load-sensing technology that adjusts water levels and wash times or by adding the ColdWash™ option to almost any cycle

\* Model WT7150 only.
