- 1170 Watts
- Unique Horizontal Keypad
- New Modern Design
- Sensor Cook Technology
- Bi-level Cooking Rack
- Elegant Top Vent

glide&cook 

 smartwave™

OVER THE RANGE

Glide&Cook™

A new unique rectangle tray that slides left to right, maximizing oven space and allowing for even cooking of 15" rectangle dishes.

SmartWave™ Technology

Provides a constant level of power when cooking, reheating and defrosting any food. The benefit is that food is evenly cooked through-out without burning the edges.

New Modern Monitor Design

New design with unique horizontal keypad that is easy to read and reach.

Sensor Cook Technology

Ingenuously senses the moisture level in the food to determine when the food is finished cooking and automatically turns the oven off.

Warranty

ONE OF THE BEST IN THE BUSINESS

- One year on parts and labor
- Ten years limited on Magnetron

LMVM1955S

CAPACITY	
Oven Capacity	1.9 cu.ft.
FEATURES	
Watts	1170
