LG's SpacePlus Ice System is located on the inside door freeing up valuable space in the fresh food shelf compartments.

4 Compartment Crisper System

Our unique design arranges the storage drawers to give you more versatility for organizing your foods and beverages. This refrigerator comes with a full width, temperature-controlled Glide N' Serve™ drawer, twin humidity-controlled crispers, and a bonus drawer that is perfect for perishable fruits and vegetables.

THE ULTIMATE IN CONVENIENCE, ORGANIZATION AND EASY ACCESS

The upper EveryDay Freezer drawer provides easy access to those frozen foods you reach for most often. The lower drawer is a separate freezer compartment that lets you store larger items and is great for long-term storage.
