- 6 Door Baskets (2 Adjustable Gallon Size) and Dairy Corner
- DuraBase™ Solid Drawer Base

PERFORMANCE

- Smart Cooling System
- Linear Compressor for Better Energy, Quiet Operation, and Durability
- Multi-Air Flow
- Electronic Temperature Controls
- Tall Ice & Water Dispenser
- Premium Water Filtration System
- SmartDiagnosis™ System
- Door Alarm
- LoDecibel™ Quiet Operation

ORGANIZED, FROM TOP TO BOTTOM

The outside is a French Door refrigerator with double freezer drawers. The inside is an organization-helping machine, with a 4-compartment crisper system for extra convenience. The Slim SpacePlus™ Ice System moves the ice maker to the refrigerator door to free up even more space on the top shelf. We've also added the power of Smart Cooling technology to help keep your food fresh. It's all of that and more in a beautiful package you're sure to love.

Slim SpacePlus™ Ice System

Ice makers are great, but not if it means you can't fit all of your food in the fridge. The Slim SpacePlus™ Ice System provides maximum shelf space and allows even more space for door bins.

Smart Cooling System

Smart Cooling technology maintains optimal humidity and temperature levels so your food stays fresher, longer. Digital sensors constantly monitor conditions within the refrigerator, while the Linear Compressor reacts quickly to keep temperature at a level that's best to keep your food fresh. Multi-Air Flow design means strategically-placed vents in every section surround your food with cool air no matter where you put it.

10 Year Warranty on Linear Compressor

The Linear Compressor motor uses fewer moving parts and operates more efficiently. LG confidently backs this exclusive technology with a 10-year warranty.

REFRIGERATOR

LMX25986

CAPACITY

Refrigerator	17.6 cu.ft.
Freezer	7.1 cu.ft.
Total	24.7 cu.ft.

FEATURES

Energy Rating	Energy Star/CEE Tier 1
