

AIR CONDITIONER

LP1311BXR

Portable
Air Conditioner

HIGHLIGHTS

Dehumidification Function
Oscillating Air Vent
Programmable 24-Hour On/Off Timer

PERFORMANCE

- 13,000 BTU
- Cooling EER (BTU/Watts) 9.7
- Dehumidification (Pts/Hr) 3.2
- Est. Cooling Area 500 sq. ft.

FEATURES

- Dehumidification Function
- Oscillating Air Vent
- Programmable 24-Hour On/Off Timer
- Remote Control

SO QUIET, YOU'LL NEVER EVEN NOTICE IT

Can't hear yourself think while your air conditioner is running? Then you need a new unit, like our portable air conditioner with LG's exclusive LoDecibel™ technology. Its 13,000 BTUs make it powerful enough to cool rooms up to 500 square feet, and its noise reducing technology makes you forget it's even there. Strong and silent, the best of both worlds.

Dehumidification Function

Control your indoor humidity level with our innovative dehumidification function. It mixes cool dry air, with the warm air to keep you comfortable and prevent overcooling. It can even save you money.

Oscillating Air Vent

Enjoy every bit of cool air with our oscillating air vent technology. It circulates your cool air more efficiently, so no hot spot will be left untouched.

Programmable 24-Hour On/Off Timer

With our programmable 24-hour on/off timer, you can control the temperature even when you're not there.

AIR CONDITIONER

LP1311BXR

PERFORMANCE

BTU Performance	13,000
EER	9.7
Dehumid. (Pts/Hr)	3.2
Dry Air Flow (CFM)	250
