**"Highest in Customer Satisfaction  
for Ranges, Cooktops and Ovens"**

- J.D. Power and Associates

LG received the highest numerical score for ranges, cooktops and ovens in the proprietary J.D. Power and Associates 2009 Kitchen AppliancesStudies™. 2008 received award for satisfaction with cooktops/wall ovens. 2009 study based on 4,067 total responses measuring 12 brands and measures opinions of consumers during the previous 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in March-April 2009. Your experiences may vary. Visit [jdpower.com](http://jdpower.com).

Available colors:

● Stainless Steel (ST)

# LRG3097

Premium Free Standing Gas Range

### LARGE CAPACITY

With one of the largest oven capacities available at 5.4 cu.ft., LG's gas ranges provide more space for cooking larger meals.

### HIGH HEAT COOKING

UltraHeat™ burner is one of the most powerful burners available in a free standing range. LG's UltraHeat™ 19K BTU burner enables you to bring large amounts of water to a rapid boil resulting in faster cooking time.

### FLAT BROIL HEATER

The new flat broil heater provides more usable space and more even cooking.

### PREMIUM CONVECTION SYSTEM

This feature delivers the ideal temperature and airflow needed for faster preheating and more precise cooking.

- **Convection Bake** provides even heat distribution and results when baking simultaneously on multiple racks.
- **Convection Roast** is great for large, tender cuts of meat because heat circulates evenly around all sides for thorough cooking.

### TYPE

Type	Free Standing Gas
Oven/Cooktop	SmoothTouch™/Knobs
