Built-In Wall Ovens

Style

Available in a premium Stainless Steel finish, LG's built-in wall ovens are sleek, modern, and high quality. The distinct door handle and brilliant blue interior bring forth the look of sophistication LG users expect.

Design

The 6.3" LCD SmoothTouch™ control system ensures easy operation and selective monitoring. Within these intuitive controls is an impressive Gourmet Recipe Bank housing 100 recipes – 42 of which are pre-programmed for ease of use. The elegant design is all topped off with LG's brilliant blue oven interior.

Large Oven Capacity

The large 4.7 cu. ft. oven capacity is smartly accentuated with a vivid convection glow. The recessed broiler element provides more usable space and a more visually pleasing oven interior.

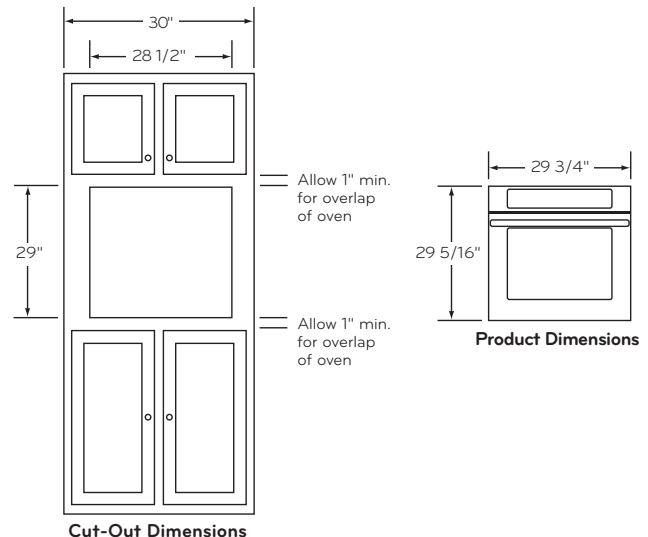

Convection System

LG's Exclusive Convection System delivers the ideal temperature and airflow for faster preheating and more successful cooking. Cook your meals just as you want with LG's 4 Convection Options – Crisp, Healthier Roast, Bake, and Roast.
