### Features

- Easy Fresh** The guarantee of market freshness in your home. Whether it's unpackaged vegetables or fruit, Easy Fresh ensures that your food is preserved for a longer period of time.
- Super Cool** Generates greater cold reserves so that freshly stored food can be rapidly chilled. Reversion from the chilling temperature of +35.6°F to the normal refrigeration temperature is time or quantity-controlled to help save energy.
- Power Cooling** The fan – as powerful as it is quiet – distributes the cold air efficiently throughout the entire refrigeration compartment.
- Articulate Hinge** The Liebherr articulated hinge is a specialized mechanism designed for seamless door movement, allowing integrated refrigerators and freezers to open and close smoothly within custom cabinetry. This hinge enhances durability and precision, ensuring a flush, high-end aesthetic while maintaining optimal functionality.
- ADA Compliant** ADA compliant, designed to fit under counter heights between 32" and 34".
- Smart Device** SmartDevice is the networking solution for your smart Liebherr refrigerator. You can control your smart refrigerator directly using your smartphone or tablet via the SmartDevice app – conveniently from all over the world.
