THE LYNX PROFESSIONAL COLOR COLLECTION

 **LYNX**

EXPRESS YOUR TRUE HUE

### **Lynx Invites You to Express Your True Hue**

Born from the adventurous spirit, bold aesthetic and relentless innovation of our west coast roots, Lynx Professional Grills is proud to introduce our new Outdoor Color Collection. These geo-inspired hues were hand-selected by our team of designers and the certified color experts at Sherwin Williams.

Feel the freedom to transform your luxury outdoor living space into a stylish extension of your well-appointed indoor kitchen. Our tasteful range of colors allows you to seamlessly integrate all the power, functionality, and durability you expect from Lynx with a splash of color that reflects your personal style.

Create a Coastal Chic retreat with peaceful earth tones designed to quietly highlight a glorious sunset or spectacular landscaping. Surf a bolder color wave with sunny seaside hues that are sure to make your outdoor oasis pop! The possibilities are truly limitless.

### **The Lynx Professional Outdoor Color Collection**

Live your outdoor dreams.

# Lynx Professional Products available in **COLORS THAT COOK**

The Lynx Professional Outdoor Color Collection is available on Lynx Grill product control panels while the hood, trim, knobs, and handles remain high-grade stainless steel. These color-infused panels are powder coated to withstand even the harshest of nature's elements.
