

OTR316XU

Product family	Microwave oven
Category	Built-in
Installation type	Built-in
Power source	AC
Cooking Method	Microwave
Oven controls	Electronic

Program / Functions

Number of functions	7
---------------------	---

Controls

Display Controls	1 LED Touch controls	Opening	Side opening

Options

Child safety lock	Yes

Technical Features

No. of lights	2	Turntable dimensions	13 9/16 "
Lighting	Halogen	Microwave effective power	1000 W
Turntable	Yes		

Electrical Connection

Current	15 A	Frequency	60 Hz
Voltage	120 V		

Symbols glossary

- | | | | |
|--|--|---|---|
|  | Child lock: some models are fitted with a device to lock the programme/cycle so it cannot be accidentally changed. |  | Microwave energy shortens cooking times dramatically and produces energy savings. |
|  | Touch controls: Easy to use touch controls allow the appliance to be programmed at the touch of a button. | | |
