OUTDOOR KITCHEN
COLLECTION

This groundbreaking partnership unites two icons of American craftsmanship: Lynx, the original innovator in luxury outdoor cooking, and John Michael Studio, the foremost fabricator of handcrafted metal cabinetry. Driven by a shared commitment to design, durability, and culinary performance, the collaboration redefines the standard for elevated outdoor living.

IGNITE &
EXCITE
CABINETS

The Lynx Outdoor Cabinetry Collection now offers four elegant, in-stock *Ignite & Excite* cabinet configurations — ready to ship today and designed to showcase the art of Lynx outdoor living.

Each cabinet, built by hand in South Carolina from heavy-gauge stainless steel or marine-grade aluminum and finished in rich powder coats, each piece is engineered to inspire and endure.

Explore the four stunning configurations available within the *Ignite & Excite* cabinet series and get ready to enhance your outdoor kitchen with handcrafted luxury that redefines culinary art.

REFINED. COMPACT. READY TO SHIP.
