36" Induction Freestanding Range

The Frigidaire Professional 36" Induction Range features dual fan convection that effectively circulates hot air throughout the oven cavity, giving you perfectly baked muffins, proteins and more. Plus no cooktop is easier to clean than induction, since induction heats the pan and not the cooktop around it, spills wipe up more easily. This range also features backlit LED knobs and our Smudge-Proof(R) Stainless Steel finish that resists finger prints, making cleanup easy.

Available Colors: Stainless Steel

Version: 10/22

Consumer Benefits

Wipe away cleaning time with the Induction Cooktop

Unlike traditional electric and gas cooktops, induction only heats the pan and the food in it, so the area around the pan stays cooler to the touch, allowing you to clean up spills and splatters while you cook.

Bright, backlit LED Knobs

Backlit LED knobs light up when the cooktop is in use.

Delicious results, every time with Dual Fan Convection

Get faster, more even multi-rack baking with powerful dual convection fans that circulate hot air throughout the oven cavity.

Take the guesswork out of cooking with the Temperature Probe

The Temperature Probe monitors and alerts when the desired finished cooking temperature has been reached.

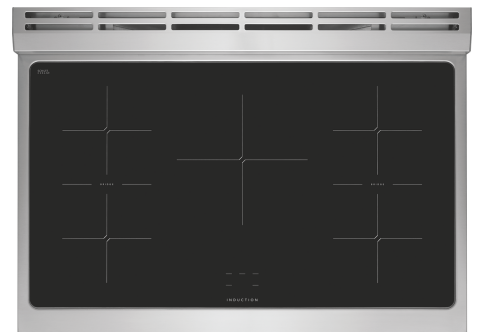

Get amazingly fast results with Induction

With induction, heat transfers to the cookware and not the cooktop surface, making induction incredibly fast.

Maximize cooktop space with Convenient Bridge Elements

Connects two elements to create a larger cooking surface, perfect for a griddle or large pan.

Product Specifications

Product Information

Product Line	Induction Range
Power Type	Electric 240v
Connected Appliance	No
UPC	012505516849

Cooktop Performance

Right Front Element Burner Size	7 1/10"
Right Rear Element Burner Size	7 1/10"
Left Front Element Burner Size	7 1/10"
Left Rear Element Burner Size	7 1/10"
Center Front Element Burner Size	10 1/4"
Right Front Element Burner	1,850 / 3,000 Watts (Boost)
Right Rear Element Burner	1,850 / 3,000 Watts (Boost)
Left Front Element Burner	1,850 / 3,000 Watts (Boost)
Left Rear Element Burner	1,850 / 3,000 Watts (Boost)
Center Element Burner	2,600 / 3,700 Watts (Boost)

Oven

Bake Element	3,300 Watts
Bake Element Type	Hidden
Broil Element	3,300 Watts
Convection Element	3,380 Watts
Convection Type	True Dual
Number of Convection Fans	2
Number of Rack Positions	5
Oven Interior Color	Gray
Oven Light Quantity	2
Oven Light Type	Halogen
Oven Light Watts	40 Watts
Rack Position Type	Ladder
Rack Type 1	Flat
Rack Type 1 Quantity	2
Rack Type 2	Glide
Rack Type 2 Quantity	1
Window Type	Extra Large Window

Display

Control Location	Front
Display Light Color	White
