PROFESSIONAL SERIES

36" BUILT-IN INDUCTION COOKTOP WITH CARBONIO TRIM

High-end TFT Display

7" multi-color TFT display for the most advanced interaction with Bertazzoni cooktops. Just 1 touch to set power levels and start cooking. Monitor residual heat on each zone

Exclusive Metal Frames

Add an iconic design touch to your cooktop with the customized metal frames. With refined beveling and a distinctive brass joining dowel, frames are available in 3 finishes: Stainless Steel, Carbonio, and Gold

Bertazzoni Assistant

5 automatic programmes exploiting pot temperature sensor located in each cooking zone, to cover some of the most typical cooking needs: Temperature Holding, Water Boiling, Steaming, Pasta, and Frying. Elevate your culinary experience with unparalleled precision and convenience

The Most Advanced Induction Technology

Experience the fastest boiling times with heating zones up to 3700W, reducing your wait time by over 50% compared to traditional cooktops. Thanks to the cutting-edge induction technology, Bertazzoni cooktops perform an ultra-low duty cycle, ensuring efficiency line never before

Pot Transfer function

Pot Transfer function allows seamless transfer of pot setting between cooking zones. Just move the pot, and the new zone automatically adjust to match original settings.

PRODUCT FEATURES

Product type	36" Induction cooktop with 5 induction zones and Carbonio metal trim
User interface	Full Touch TFT Display
Numbers of zones	5 induction zones
Heating zone power	Front Left 190x210 - 2100W (3700 W) Back Left 190x210 - 2100W (3700 W) Center Ø 260mm - 2600W (3700 W) Front Right Ø 145mm - 1400W (2200 W) Back Right Ø 210mm - 2300W (3700 W)
Booster and Double Booster	yes
Multi-zone	Multi-zone
Bertazzoni Assistant	yes
Automatic programmes	5 automatic programmes: 1. Temperature holding 2. Water boiling 3. Steaming 4. Pasta 5. Frying
End of cooking timer	yes
Pause and Recal	yes
Pot moving	yes
Child lock	yes
Residual heat indicator	yes

TECHNICAL SPECIFICATIONS

Electrical supply	220 - 240 V 50 - 60 HZ - 11100 W 47 Amp
Power connection	Metal conduit with 71" power cord
Certification	UL
Warranty	2 years parts & labor
Product dimensions and net weight	W: 35 7/16" H: 2 3/32" D: 20 15/32" 51 lbs
Packaging dimensions and gross weight	W: 41 19/64" H: 6 19/64" D: 26 3/16" 55 lbs
