Receptacle Type	3-Prong Grounding
Additional Cycles	Additional made available through Specialty Cycles Air Fluff DeWrinkle Eco Cool Jeans PowerClean STEAM Normal STEAM Towels STEAM Whites Self Clean Swimwear
Fuel Type	Electric
Moisture Sensor	Humidity Sensor Dry
Dryer Cycles	Active Wear Bulky / Bedding Delicates Dewrinkle (Specialty Cycles) Normal Quick Dry Spin & Dry Steam (Specialty Cycles) Timed Dry Towels Whites Wrinkle Care
Dispenser	Bleach Timed Flow Through Detergent (Liquid/Powder) Timed Flow Through Dual Drawer Bulk Dispenser Fabric Softener Timed Flow Through Protected with Microban®
Wash System	Tumble Wash & Condenser Dryer
Maximum Spin Speed	1300 RPM
Number of Cycles	10

- 2-in-1 Washer/Dryer - Wash & Dry a large load of laundry in about 2 hours without the hassle of transferring clothes from the washer to the dryer. \*Based on completing the Normal Wash + Dry cycle with Eco Dry using a 10-lb. DOE or Mixed Load in about 2 hours See Use & Care.
- Fast Airflow Drying System - Warm, high-speed air extracts moisture from garments to gently dry even large loads fast with less heat. Now you can wash and dry everything from a comforter to delicate items from start to finish virtually eliminating the need to hang dry - it's the ultimate one and done laundry experience!
- PowerSteam Technology - Specialty steam cycles safely penetrates deep into fabric fibers, loosening stains and odors delivering enhanced cleaning performance.
- Easy Installation & Space-Saving Solutions - Reimagine your laundry space and location with the flexible installation requirements of a standard 120V and no need for a dryer exhaust vent. The Ventless Combo design takes up half the space so you can rethink your laundry room possibilities
- Greater Energy Savings\*\* - 50% more energy efficient drying\*\* with Ventless Inverter Heat

Pump (\*\*Efficiency rating as compared to the requirements for ENERGY STAR qualification for standard electric dryers)

- The One and Done Laundry Experience - The UltraFast Combo is designed to enhance the way you experience laundry by optimizing washing + drying all in one machine. Plus, the smarter drying technology combines fast air flow at lower temperatures to ensure maximum care for all your laundry.
- Microban® Antimicrobial Technology - Provides antimicrobial protection on the gasket, dispenser, and draining system, to help prevent odors and ensuring your Combo stays fresh and clean load after load
- Smart Features Powered by SmartHQ™ - When connected to the SmartHQ™ app, you can make sure your Combo always has the latest features! Plus, receive remote cycle status notifications, select detergents and download specialty cycles
- Large Wash Capacity - 4.6-cu.ft. capacity lets you clean large sized loads, even clean a king-size comforter . Large wash capacity allows families of all sizes to cut laundry routine in half
- Limited Warranty - Rest assured knowing your unit is backed by a 10-year limited warranty on the motor and a 5-year limited warranty on the sealed drying system
- EZ Access Lint Filter System - An exclusive, easy-to-reach lint filter system allows you to remove lint and micro particles, ensuring your Combo operates at the highest levels of efficiency
- Sanitize with Oxi - Remove 99% of bacteria with a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power, while keeping fabrics looking and feeling their best.
- My Setting - Store preferred wash and dry cycle settings for later use, maximize time and alleviate adjusting cycle preferences with every load. Cycle preferences are stored, selected and deselected with a touch of a button; a heart symbol appears to indicate the setting has been stored and in-use
- Wrinkle Care - Prevents wrinkles by extending the tumble without heat.
- Shallow Depth - Never compromise on convenience with this 32" shallow depth washer /dryer that easily fits into tight spaces like an alcove or closet, making it a suitable solution for homes of any size.

Drying Capability	Full Loads from Wash Cycle
Functions	Wash+Dry; Wash Only; Dry Only
Microban™ Antimicrobial Treated Surfaces	Microban® in Gasket, Dispenser, Pump and hoses
Wash/Rinse Temperatures	5

---

## **APPROXIMATE DIMENSIONS(HxDxW)**

- 46.70 H x 28 W x 32 D

## **CAPACITY**

- Wash Basket Type - Stainless Steel
- Total Capacity (cubic feet) - 4.60cu ft

## **ECONOMICAL / QUIET**

- Motor Type - Belt Drive Induction Motor w/ 10 Year Warranty
- Quiet Package - Quiet-By-Design with dB™ Quiet Control

## **APPEARANCE**

- Handle Color - White
- Handle - Pocket Handle
- Color Appearance - White
- Installation - Built-In, Riser, Side-by-Side  
Plugs into 120V wall outlet

## **WEIGHTS & DIMENSIONS**

- Approximate Shipping Weight (lb) - 323lb
- Net Weight (lb) - 302lb
- Depth with Door Open 90° (in) - 54 1/2in
- Overall Height (in) - 46 7/10in
- Overall Depth (in) - 32in
- Overall Width (in) - 28in

## **POWER / RATINGS**

- Volts/Hertz - 120V; 60Hz
- Circuit Breaker or Time Delay Fuse - 15 Amp
- Motor Speeds - Variable

## **ACCESSORIES**

- Touch-Up-Paint - 0.6 OZ. - WR97X212 (sold separately)
- Drain Hose Extension Kit- Approx. 44" - WH49X316 (sold separately)
- Universal low profile washer floor tray - PM7X2 (sold separately)
- Sink Unicoupler Hook-up - WH41X36697 (sold separately)
- Fill Hose - WH41X10207 (sold separately)
- Optional Riser - GFR0728SNWW (Sold Separately) On a riser this unit is no longer ADA compliant.

## **WARRANTY**

- Parts Warranty - Limited 1-year entire appliance  
Limited 10-year motor  
Limited 5-Year Drying Sealed System

- Warranty Notes - See written warranty for full details
- Labor Warranty - Limited 1-year entire appliance
