

Product: 36 Inch 5-Element Induction Cooktop in Black with Touch Controls
Model Number: PIH36

TECHNICAL DETAILS

Fuel Type	Electric
Amperage or Circuit Breaker	50A
Electrical Rating at 208V	9,600W at 208V/ 60Hz
Electrical Rating at 240V	11,100W at 240V/ 60Hz
Plug Type	Without Plug
Power Cord Length (in.)	39-7/8" Flexible 3-Wire
Installs Over Built-In Oven	Yes

GENERAL PROPERTIES

Automatic Pan Detection	Yes
Cooktop Surface Material	Glass
Touch Control	Yes
Child Lock	Yes
Auto Shut-Off	Yes
Hot Surface Indicator Lights	Yes
Heating Element On Indicator Light	Yes
Power Boost	Yes

DIMENSIONS & WEIGHTS

Product Dimensions (WxDxH) (in.)	36" x 21" x 2-1/8"
Minimum Distance From Counter Front (in.)	4"
Minimum Distance From Rear Wall (in.)	13/16"
Cutout Dimensions (WxDxH) (in.)	35-3/16" x 20-13/16" x 1-3/8"
Package Dimensions (WxDxH) (in.)	39-3/4" x 24-13/16" x 5-1/2"
Net Weight (lbs/kg)	32.6 lbs / 14.8kg
Gross Weight (lbs/kg)	39.4 lbs / 17.9kg

FEATURES & BENEFITS

- + 1-99 Minute Timer:** Allows precise control over cooking time for consistent results.
- + Child Lock:** Ensures safety by preventing accidental operation, especially around children.
- + Booster Function:** Speeds up cooking when you need extra heat quickly.
- + Keep Warm Function:** Keeps food at an ideal serving temperature without overcooking.
- + Glasstop Surface:** Makes cleaning quick and easy, keeping your cooktop looking spotless.
- + 9 Levels Power Setting:** Provides flexibility for cooking different dishes, from gentle simmering to high-power frying.
- + Individual Residual Heat Indicator:** Shows which cooking zones are still hot, preventing accidental burns.
- + 120-Minute Automatic Safety Switch-Off:** Prevents overheating and unattended cooking accidents for peace of mind.
- + Slide Touch Control:** Allows intuitive and precise control over cooking settings.

COOKTOP PERFORMANCE

Total Burners	5
[1] Left Front Element-Burner Power / In Boost	1,800W/2,100W
[2] Left Rear Element-Burner Power / In Boost	1,200W/1,600W
[3] Right Front Element-Burner Power / In Boost	1,200W/1,600W
[4] Right Rear Element-Burner Power / In Boost	1,800W/2,100W
[5] Center Element-Burner Power / In Boost	2,300W/3,700W
Power of Full Surface Heating Element	9,600W
Power of Full Surface Heating Element (In Boost)	11,100W

ELEMENT SIZE

[1] Left Front Element (in.)	9-1/16"
[2] Left Rear Element (in.)	6-7/8"
[3] Right Front Element (in.)	6-7/8"
[4] Right Rear Element (in.)	9-1/16"
[5] Center Element (in.)	11-1/8"
