FEATURES & BENEFITS

Patented, sealed, brass Star Burners distribute heat evenly, and 375 BTU/hr ExtraLow® setting simmers without scorching.

Easy temperature reference at a glance with an electronically controlled indicator.

Our available gas grill features a titanium surface that is easy to clean and dishwasher safe.

Our 36" ovens offer maximum capacity and can accommodate full-sized commercial sheet pans.

For usable oven interior dimensions, please visit the product's information page at www.thermador.com and click "view features."

L.P. Converter orifices - PD ranges order (PLPKIT). Black Knob Kit (KNOBRGBLK) ordered separately. All-Gas Self-Cleaning PG ranges factory (NG) Natural Gas or factory (LP) Liquid Propane ordered separately.

Notes: 1) All height, width and depth dimensions are shown in inches. 2) Oven doors should be removed for doorway clearance. *Please refer to installation instructions prior to making cutout. Installation instructions and back guard information are available at www.thermador.com. **Height without back guard or high shelf. ***You must install your professional range with one of the back guards listed above. They are ordered separately — except for the 30" range, which comes standard with a 9" back guard. Approved for residential use only. †Measured to front of bullnose. ††BTU/hr includes surface burners and the oven.
