Maris Lario Hot/Cold Filtered LAR-HC-SNI | 120.0740.032

Maris Lario 10.3-in Dual-Handle Hot and Cold Water Filtration Faucet in Satin Nickel. Experience the convenience of instant filtered hot and cold water with the Maris Lario Hot and Cold Filtered Beverage Faucet. Designed and made in Italy, it combines timeless style with advanced functionality for everyday use. A built-in safety lock ensures controlled access to hot water, while the cold- body system keeps the faucet cool-to-the-touch, even when dispensing hot water. Available in Chrome, Satin Nickel, and Matte Black, this sleek, space-saving faucet pairs perfectly with other faucets in the Maris Lario collection, creating a cohesive and elegant look throughout your kitchen.
