

Keystone / KSTAW10CE

10,000 BTU, Window Cool Only, Remote Control, 115V, 60Hz Energy Star

At Keystone, your family's comfort starts here. The Keystone Energy Star 10,000 BTU window air conditioner with Follow Me remote control is an economical choice for cooling a room up to 450 square feet. This energy-saving air conditioner features electronic controls with LED display and a temperature sensing LCD remote control, allowing you to conveniently see, set, and maintain the room temperature from across the room. Money saving features include energy saver mode, sleep mode, and a programmable 24-hour timer. With a Keystone window air conditioner, you and your family can relax in cool, blissful comfort.

- 10,000 BTU air conditioner for window-mounted installation
- Energy Star efficiency saves you money on your electric bill (12.0 EER)
- 6.5-ft. LCDI power cord with NEMA 5-15P plug uses standard 115V electrical outlet
