### Signature Features

#### WiFi Connect

Wherever you are, you've got cooking down. Because now you can control advanced features, such as a no preheat option, pizza mode and snack mode, all from the Haier Appliances App.

#### Quick clean

Good with cooking but not with cleaning? No worries. This Haier range with Quick Clean steam-cleaning technology makes removing baked-on cooking spills fast and easy.

#### Oven cooking modes

Cooking made easy - there's an app for that! This foodie-friendly app helps you select the right cooking mode for your favorite treats, like baked goods, frozen pizza and frozen snacks.

#### Probe mode

A pinch of technology makes everything taste better. Probe Mode ensures that your food is cooked at precisely the right temperature for optimum cooking results.

#### Backlit color-changing oven knob

In the city, streetlights show the way. On your oven, backlit color-changing knobs do the same. LED knob lights illuminate to show which cooking mode has been turned on.

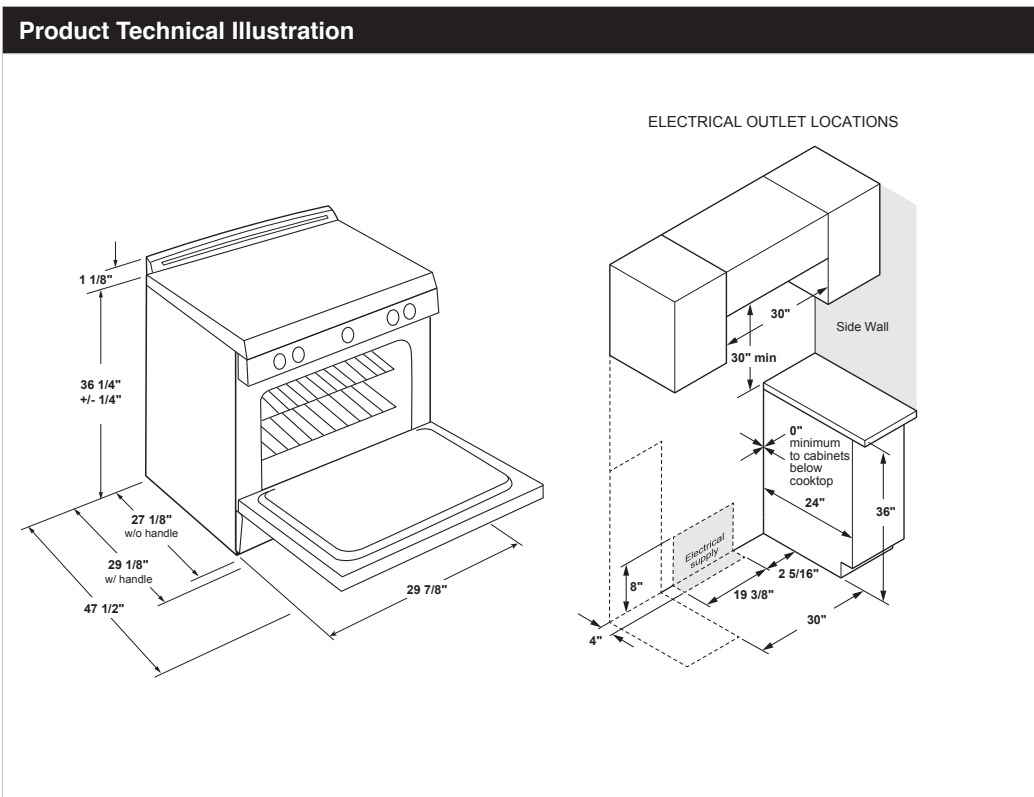

#### Continuous, edge-to-edge cooktop

Go with your culinary flow. Continuous grates allow for easy movement of cookware, while providing even heat distribution with better heat retention.

#### Simmer burner

Find the right balance in life and in cooking. Low heat delivers gentle, even cooking results for your most delicate foods.
