

## Pro Island Ventilation Hoods

With standard features like heat sentry and dual setting halogen lighting, Wolf Pro island hoods provide the ultimate in ventilation. Pro island hoods are available in four widths and all have the classic stainless steel finish. You also have the option of decorative rails. While classic stainless steel rails are standard on (R) models, platinum or brass rails are available to match the bezels of our dual fuel ranges and sealed burner rangetops.

Model PI423418R shown. Also shown is Sub-Zero Model 648PRO refrigerator/freezer.

### Features

- Classic stainless steel finish
- Rail (R) models feature classic stainless steel decorative rails
- Heavy-duty, 16-gauge brushed stainless steel with continually welded seams, hemmed edges and sides
- Stainless steel enclosed liner
- Recessed easy-access controls
- Infinite-speed blower control
- Heat sentry feature automatically turns unit on when heat is sensed and automatically adjusts blower speed
- Halogen lighting with two settings
- Removable, dishwasher-safe, restaurant-grade stainless steel baffle filters
- Transition with backdraft damper included
